**Interior**

The six-passenger interior features a four-place center club configuration and two seats located aft facing forward. All seating is completed in elephant-toned leather. Cabin furnishings include a large right-hand forward refreshment center and dual executive tables. All cabinetry is completed in a light gray laminate. A cabin information display system includes flight data that is displayed on a 8.4" LCD video monitor located on the forward left-hand bulkhead. Cabin electrical outlets provide power for laptops, mobile devices, etc.
